

The Friends:

Supporting our library and community through volunteerism, fundraising and public advocacy for more than 45 years.

The Friends of the Chula Vista Library is a non-profit 501(c)(3) organization founded in 1968 to ensure that our public libraries will continue to serve as a vital resource to the community. The Friends provide volunteers and financial assistance to support programs and services at the Civic Center, Otay Ranch and South Chula Vista branch libraries and the Chula Vista Heritage Museum.

Our members believe that a strong library is the secret to a strong community. We also believe that providing books and magazines and story times and educational programs for our residents is a good investment in our community and its future.

Friends operate bookstores at the branch libraries and organize sales of donated books to support library services. The Friends sponsor cultural activities, underwrite the summer reading program for children and adults, and seek private and public funding for library materials and activities. Individual members also contribute many hours of service at the library and museum.

As a member, you will receive the newsletter *Among Friends* – and you will have the satisfaction of helping our libraries and museum continue their important role in the life of your community.

If you agree that libraries are important, please join us today!
